

IGCSE BIOLOGY Syllabus

8th Form

- Chapter 1 :Life Processes
- Chapter 2 : The Variety of Living Organisms
- Chapter 3 :Breathing and Gas Exchange

9th Form

- Chapter 4 :Food and Digestion
- Chapter 5 :Blood and Circulation
- Chapter 10 :Plants and Food
- Chapter 11 :Transport In Plants
- Chapter 12 :Chemical Coordination In Plants
- Chapter 13 :Reproduction In Plants
- Chapter 17 :Cell Division
- Chapter 9 :Reproduction In Humans

10th Form

- Chapter 6 :Coordination
- Chapter 7 :Chemical Coordination
- Chapter 8 :Homeostasis and Excretion
- Chapter 14 :Ecosystems
- Chapter 15 :Human Influences on the Environment
- Chapter 16 :Chromosomes, Genes and DNA
- Chapter 18 :Genes and Inheritance
- Chapter 19 :Natural Selection and Evolution
- Chapter 20 :Selective Breeding
- Chapter 21 :Using Microorganisms
- Chapter 22 :Genetic Modification
